

**Kamloops Sexual Assault  
Counselling Centre**

*35<sup>th</sup> Anniversary (1982-2017)*

I am writing to invite you to become a member of the Kamloops Sexual Assault Counselling Centre Society. In keeping with our mission statement, we are hoping that you support our objective of providing counselling, advocacy and support services for survivors of sexualized violence through a feminist lens.

The Centre continues to grow and realize many successes. Reinstating the SART (Sexual Assault Response Team) after a 12 year absence has been our priority project this year. As well, we have once again offered a women’s relationship group in partnership with the Y Women’s Outreach Services. Our branch offices in Chase and Logan Lake continue to provide much needed support to outlying communities and we continue to build on community partnerships with the United Way, TRU, City of Kamloops and the Y Women’s Outreach Services, among many others.

We’d like to have you as a member. Both the Board and I sincerely hope that you will consider joining the Society. Membership is \$5.00 for the year. For your convenience, a membership form is attached. We offer a number of options to complete your membership

<b>Email:</b> Complete the form and return via email	<b>In Person:</b> Drop by the Centre to complete the form and pay your membership fee	<b>Mail:</b> Send the completed form and the membership fee via post office.
